

GREMOLATA

Ingredients:

- | | | |
|---|--------|---|
| 1 | Bunch | Fresh Parsley, finely chopped (about $\frac{3}{4}$ cup) |
| 1 | Large | Lemon, zested |
| 2 | Cloves | Fresh Garlic, grated |

Directions:

1. Chop the parsley – either flat leaf or curly leaf. If the stems are tender, you can use them as well.
2. Zest the lemon, taking care not to zest the white parts, which can be bitter.
3. Using the same zester, grate the fresh garlic.
4. Toss all ingredients together and refrigerate until ready to use.
