Open call for local musicians!

TADL's Sight & Sound Department is excited to announce plans to launch a new local music streaming service in August, 2024. TADL library cardholders will be able to stream music from local musicians, and the streams will generate revenue for the artists.

Musicians - if you are interested in being part of our first wave of artists, please submit one song using this link: waves.tadl.org/submit Submittal deadline is July 8, 2024.

Our panel of jurors will select up to 20 artists from the samples. If your work is selected we will work with you to get more songs added to the collection prior to our August release.

If you have further questions please check out tadl.org/tadlwaves or email our Sight & Sound Department - meet@tadl.org
